

Silver Lake Parks and Population

The Silver Lake Reservoir Master Plan was created and made into real world projects through a series of public workshops held over many years, and hard work to get it built. Phase 1 is done, and we are ready to start on Phase 2.

2000	Adoption of the Silver Lake Reservoirs Master Plan by the Board of Water and Power Commissioners
2004	Community meetings on Phase 1 Path
2005	Phase 1 of Master Plan: path on W. Silver Lake Dr is built
8/24/05	1 st Community meeting on the Phase 2 of Master Plan: path on Silver Lake Blvd, Eucalyptus Grove and Meadow
9/24/05	2 nd Community meeting on the Phase 2 of Master Plan: path on Silver Lake Blvd and Meadow
5/06	Environmental study adopted
9/06	1 st Community meeting on Phase 3: Meadow
12/06	2 nd Community meeting on Phase 3: Meadow

“Meadow” on Silver Lake Reservoir is about 6 acres

Silver Lake Parks and Population:

Today we have about 0.35 acres of park in Silver Lake per 1,000 residents; compared to the national standard of 6.25 acres per 1,000 residents; or to the City of LA: 4.2 acres of park per 1,000 residents. (Bellevue, La Sorda, Laurel & Hardy, Silver Lake Rec Center, Triangle Parks total 13.85 acres)
